Six-week Basic Dog Training

(for dogs 14 weeks or older)

Time: 6:00 - 7:00 pm OR 7:00 - 8:00 pm

Fee: \$120 Save \$20 by registering for both Basic and Intermediate, \$220

This multi-week class offers you the opportunity to learn how to communicate more effectively with your dog, which can help ease your frustrations as a dog owner and deepen your connection to your furry companion. The first class, without your dog, we'll present an overview of canine behavior and cognition. In the following classes we help build a shared language between you and your dog by teaching basic skills such as sit, down, stay, come, name recognition, drop it, over here, no, off, leave it and controlled walking. We cover the use of food lures, positive reinforcement, and timing, and teach solutions for barking, attention, and jumping problems. Dogs are also taught how to respond when faced with distractions. All classes have an educational component, as well as hands-on work with your dog. Lead instructors are highly skilled trainers and behavior specialists.

Please note: The first class starts at 6:00 pm for BOTH the 6:00 and 7:00 class. The first class is an hour and a half session **without your dog**, where we focus on understanding the canine mind, how dogs learn and communicate, and important information about training. **Please bring proof of all dog vaccinations to the first class.** This includes a Bordetella vaccine (canine cough) within the last 6 months.

Six-week Intermediate Dog Training

Start Date: _____

Fee: \$120 Time: Thursdays, 7:00 - 8:00 pm

Build and refine basic skills with increased distractions and duration, working off-leash (if ready) and focusing on your dog's impulse control. For this class, your dog must know the commands sit, down, stay and come, on leash. We'll teach dogs to respond to stay and come with distractions and work from a distance, as well as position your dog to sit and walk on all sides, and go to a "spot" when visitors come to your front door.

Location: 63027 Lower Meadow Drive, Suite D,

is off Empire Ave. Go East from Hwy 97 or the Bend Parkway, turn right onto NE Lower Meadow Drive. 63027 is on the right (West) side **in the same building as Service Master.**
